

Lille Røde -EPK- Band Rider

Original music artist Lille Rode, in her guise as Little Red, plays with themes from heartbreak to politics with a wink and a wry smile. This four piece from the Bristol area play psychedelic, rocky, bluesy pop, mixing memorable hooks and dance beats

Lille Røde is a four piece that consists of:

Anna Mountford on vocals

Jim Scriven on Bass

Sash Impey on Guitar

Rik England on Drums

Anna is a former professional actress and singer. Please visit www.annamountford.net if you are interested in reading more about her TV and film career.

She writes the songs for Lille Røde, then the Wolf Men work their magic!

Anna started writing music after moving to LA in 2009 where she collaborated with several local musicians including former Iron Butterfly frontman Billy Demartines. She has fronted many cover and original line ups. This is her favourite. :)

Jim is a former guitarist turned bass player who first teamed up with Sash Impey when they were still in their teens. Lille Rode is their latest incarnation, as they continue to bounce riffs and grooves off of each other in their guise as Anna's Wolf Men.

Rik England has 36 years experience playing the Drums, including functions, corporate, tribute acts, touring and one off shows. He's a Grade 8 Drummer and has been a professional Drum Teacher for the past 13 years.

Sash Impey...lets his guitar do the talking. :)
