Technical Requirements

Anna uses IEM's and a Voicelive Play TC Helicon vocal unit which will need to be patched into the house PA.

Anna uses her own mic.

If there is no in house PA the band can provide 2 x 1000 Watt peak power full range active speakers, a Soundcraft UI16 mixer.

The band can provide their own backline and drum kit by prior arrangement.

Our drummer will bring breakables.

Venue to supply:

Assistance patching to venue's FOH system. Use of stage monitoring wedges.
