

Lille Røde

Vocals: Anna **Drums**: Tim

Bass: Simon **Guitar**: Stu

4 piece pop and rock band - 1 x vocalist, 1 x drums, 1 x bass, 1 x guitar

Backline

• Front centre: Mic stand for vocalist

• Rear centre: Full acoustic drum kit including 2 x crash cymbals, 1 x splash cymbal and 1 x hi hat

• Stage left: Bass amp

• Stage right: Guitar amp – Laney valve amp head + a 1x12 speaker cab, effects board (including drive and modulation pedals)

Vocals

• 1 × mic stand (we can provide this unless venue supplied)

Monitoring

Depending on what's available vs stage space:

• 4 x stage monitors - one front centre facing vocalist, one rear left/right for drummer, one stage left, one stage right

• 3 x stage monitors - one front centre facing vocalis, one stage left, one stage right

• 2 x stage monitors - one front stage left, one front stage right

• 1 x stage monitor - Front centre facing vocalis

Power

• The following items require power:

• IEM audio system
• Yamaha EAD10 single point drum mic
• samplepad
• bass amp
• guitar amp
• guitar effects board (single power point)

We'll bring extension cables but likely need at least 2 standard mains outlets.

PA

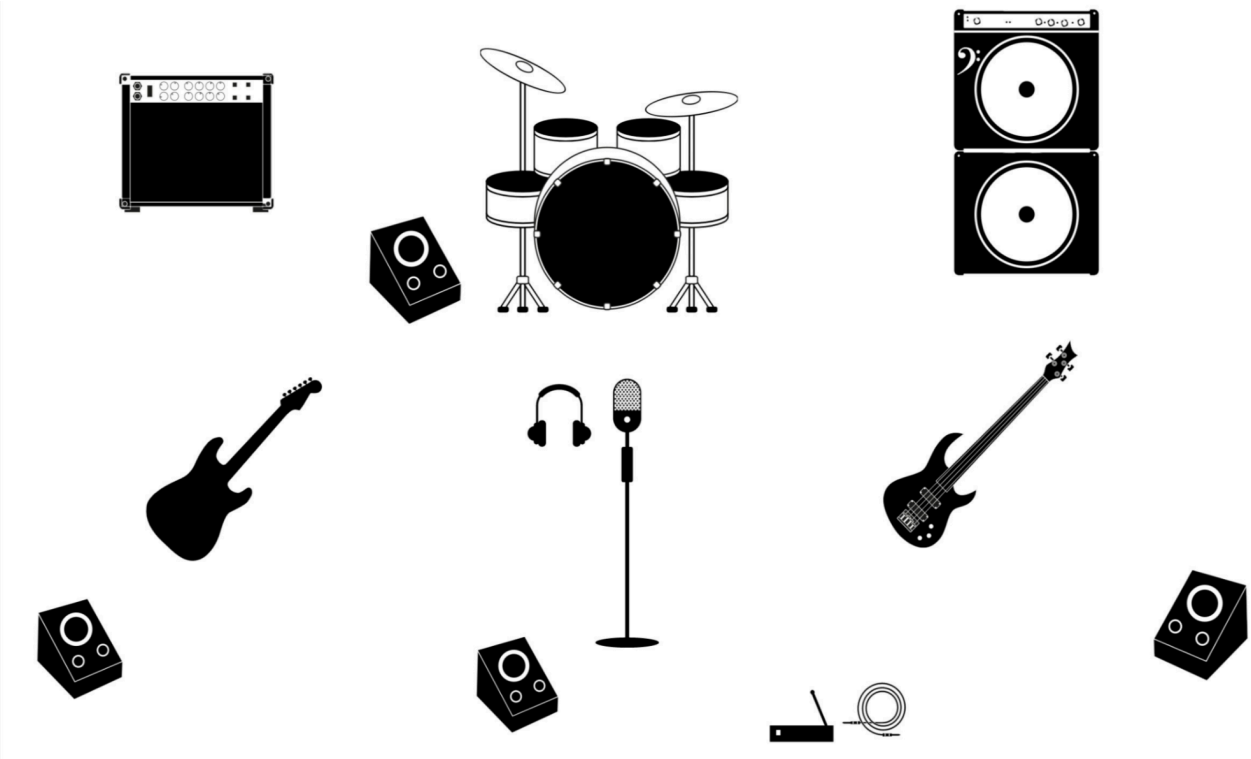

• Vocals - through PA, IEM audio system to patch into PA

• Drums - Yamaha EAD10 single point drum mic and samplepad to go into PA

• Bass amp - DI direct from amp available unless sound engineer prefers to mic it up

• Guitar amp - DI box available unless sound engineer prefers to mic it up
