

Another One Slips Away

Another one slips away
Another one slips away
Another one slips away

I sit, I wait, I watch the day, and another one slips away
My game, Oi Vey, I won't complain
The latest in the fray, or a spark to light my way
You say, I pray, but I won't complain..

Take your place again, Take your place again,
Take your place again, Take your place again,
And again, and again, and again, and again

Another one slips away

So easy, not to have your say, another one slips away
Their game, you play, but don't complain
Your heads upon the block, don't make the company boat rock
Not me, no way, so you don't complain

(Scratchy bit)

Take your place again, Take your place again,
Take your place again, Take your place again,
And again, and again, and again, and again

BREAK (8 bars)

So easy, not to have your say, another one slips away
Their game, you play, but don't complain
Your heads upon the block, don't make the company boat rock
Not me, no way, so you don't complain

(BREAK with change)

Take your place again, Take your place again,
Take your place again, Take your place again,
And again, and again, and again, and again.....
