

Let It Loose 72 bpm

Pass the boulevard, on the freeway
wanna hit it hard, like it that way, **Cue Midi Pad**
Picking up, Picking up my highway ride....highway ride

Let it Loose, Let it loose
Courting, the thrill, of driving

You wanna hit the break, slow down play it safe
Walk a thin line, between love and hate
Picking up, Picking up my highway ride.... highway ride

Just Let it Loose, Let it loose
Let it loose, just let it loose
Picking up my highway ride.... highway ride

BREAK

Picking up, Picking up my highway ride....Highway ride

Then we accelerate, we go the whole way,
You pull me over, for violation

BREAK

You know I love it, You know I love it,
when you call it in. (You know I love it) Let it loose
when you call it in. (You know I love it) Let it loose

Let it loose
